

Fire victims grateful for help

To the Editor:

We would like to thank the firefighters who responded so very promptly on Jan. 21 to save our home from being totally destroyed from fire. We owe them our deepest gratitude. Without them responding so quickly, our house would not have been saved.

Those who responded were: the Minersville Independent Hose Company, Rescue Hook and Ladder, South Cass Township Fire Company, Clover Fire Company, Heckscherville, and the Duncott Hose Company.

We would also like to thank area residents who donated funds to our fire fund and the following local businesses that donated supplies: Womer's Garage, Pottsville; All Phase Electrical, Pottsville; Radzievich Market, Minersville; the Minersville Area School District, St. Vincent De Paul Catholic Society, First Baptist Church of

Pottsville, the Marines and the Salvation Army.

Also, a big thank you to Boy Scout Troup 699 of Minersville, which held a clothing and bake sale with the proceeds going to our family.

We also want to thank our family and friends who helped us rebuild, and for all the love and support they gave us. We have a wonderful family. Without them, we do not know how we would have gotten through this tragedy in our lives.

And a great big thank you to all of our Cyber Friends who donated monetary and other gifts and all their love, prayers and support. They are wonderful, caring friends, whom we are blessed to have.

Thank you from the bottom of our hearts and may God bless you richly!
